

# **ATTENTION LOCAL BUSINESS OWNERS** **ANNUAL FIRE DEPARTMENT BUILDING PRE-PLANS**

**The Cuba Volunteer Fire Department will soon begin our annual building pre-plans for all commercial properties in our response area. This is a routine process we conduct every year to help us better prepare for emergencies at your location.**

**Why is this important?**

**Pre-plans allow our department to:**

- ✓ **Know the layout of your building**
- ✓ **Identify hazards or access points**
- ✓ **Plan the safest and fastest emergency response**
- ✓ **Help protect your property, staff, and customers**

**Please note:**

- ◆ **This is NOT an inspection.**
- ◆ **We are not issuing fines or shutting down businesses.**
- ◆ **Any concerns we mention are recommendations only to improve safety and preparedness.**

**We truly appreciate your cooperation and support in keeping our community safe. If you have any questions or want to schedule your pre-plan walk-through, feel free to contact us at:**

**Ryan Carter: 505-907-0727**

**Ashley Morales: 505-934-3521**

**Walk throughs are being scheduled Wednesday, Thursday and Fridays**

**Thank you for being a valued part of our community!**

**– Cuba Volunteer Fire Department**
